Order thereon

The estimate for Rs. 1058/ is sanctioned the charge being met from the Gymkhana Fund of Rs. 2835-13-2 available at the credit of the said Institution on 1st Feby. 1893.

2. As the ground is somewhat sm

swampy, stones should be used instead of bricks for the construction of the basement.

3. The work should be carried out in a substantial manner under the superintendence of the Town Magistrate, Mysore.

Sanction vide as 13/5/93

Sir,

With reference to para 2 of Government proceedings No. 591—2/114-92 dated 20th March last, I have the honor to forward herewith the report of the Nazir with the Estimate and to state that I inspected the sites in the Goorubeg at Sreerungapatana where Musafirkhanas are under construction and found that the ground is soft and Swampy

T Sanction 852-3 5/93

and I agree with the Nazim that it cannot bear heavy weight. I would therefore recommend that the basement of 2 feet may be built of brick in chunam instead of brick in mud or stone, The difference of cost amounts only to rupees 45-13-2 which may be paid out of the contingencies viz Rupees 50/- provided for in the Estimate.

Early orders are requested

I have the honor to be
